Dear Sir/Madam

RE: Consultation on admission arrangements for Joseph's Catholic Primary School for the 2026-2027 academic year

I write to advise you that the Governing Body wish to consult on amending our admission arrangements for 2026/2027.

The school exists primarily to serve the Catholic community and Catholic children always have priority of admission. However, the Governing Body also welcomes applications from other families who support the religious ethos of the school. The diocese has updated and amended their Admissions Guidance document to bring it into line with the Admissions Code, and, with new amendments, seek to address some of the current issues around pupil numbers.

Please click [here](#) for the Draft Admissions Policy 2026/2027 for St Joseph's Catholic Primary School. **To consult on admission arrangements for 2026-27.**

Consultation must take place for at least six weeks to start no earlier than 11th November 2024 and to finish no later than 31 January 2025. The Governing Board must then determine admission arrangements by 28 February 2025.

Please address any comments to myself, Miss Suzanne Long, Headteacher, by post to
