School success starts
with attendance

As a school we aim for pupils to achieve 100% attendance or as close as possible. Evidence shows strong attendance directly links to a child achieving their full potential. Through working together, we can ensure that your child receives a full-time education, through regular and structured attendance.

While it is understandable that there may be a number of legitimate reasons why your child's attendance may be affected, it remains essential that all children attend school as often as possible and are not absent for minor coughs and colds.

Keeping attendance above 95% allows pupils to achieve their potential.
