23rd September 2022

Book your child's polio vaccine now

To: Parents/carers of children in primary schools

Dear Parent/Carer,

There are signs polio **may be spreading** in London and the number of children vaccinated in Greenwich is lower than it should be. Boosting immunity in children should help protect them and reduce the risk of the virus continuing to spread.

The [NHS is offering children aged 1 to 9 in London a polio vaccine](#). This will either be a booster on top of your child's routine immunisations or a catch up dose.

Book your appointment [here](#) or call 0204 542 8288.

For more information about routine vaccinations visit the following website [NHS vaccinations and when to have them - NHS \(www.nhs.uk\)](#)

Yours faithfully,

Steve Whiteman
