26th January 2023

Dear Parents and Carers,

RE: - NSPCC Number Day – Friday 3rd February 2023

Friday 3rd February is NSPCC Number Day. We are joining schools and nurseries across the UK for a mega maths fundraising day.

To celebrate, we are inviting children to take part in Dress up for Digits where, for a £1 donation, they can wear a costume that is number related, or something with a number on. This could be a logo or sports team jersey. There will be a prize for most imaginative outfit, which will be presented in Rainbow Assembly the following week – 10th February. A fantastic way to finish the half term.

We will also be holding a special maths session for parents and carers where you will be able to join in with some maths activities.

When: Friday 3rd February 2022

Location: School hall

Time: 2:30pm

The children will be leading the demonstrations and games while showing off their amazing Mathematical understanding!

All money raised will go to the NSPCC.

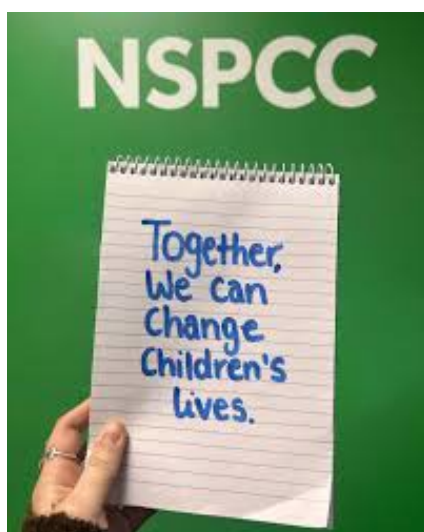

We look forward to welcoming you all and showcasing some of the wonderful learning taking place at St. Joseph's as well as having some fun!

Yours faithfully

S Holmes
